## How to View Your Honorlock Results

All students who have completed the exam will be listed and ready to review their results. To access Honorlock results: https://honorlock.kb.help/how-to-view-your-honorlock-results/

## How to View a Summary Report

A full proctoring Summary Report can be accessed and reviewed once the exam's due date has passed. To view a summary report: https://honorlock.kb.help/reviewing-a-summary-report/

## Failsafe Images

In the event the connection to Honorlock's video platform is interrupted (by an internet degradation issue or outage), Honorlock will revert to Failsafe image capture instead of video capture. When this occurs, a still image of the webcam and the screen will be taken every 10 seconds. All normal AI functionality and flags work as expected.
