

Get Started with Honorlock

Using Honorlock with Blackboard

Honorlock's remote proctoring services works directly within Blackboard and combines the benefits of AI software with those of live test proctors. Prior to starting your exam, you must install the Honorlock Chrome Extension: <https://honorlock.kb.help/install-the-honorlock-extension/>

How to Use Honorlock

Here are instructions for using Honorlock for an exam in Blackboard: <https://honorlock.kb.help/how-to-use-honorlock-test-takers/>
