

Install Honorlock Chrome Extension

If your instructor is using Honorlock for a test, you will need to install the Honorlock Chrome extension. This guide will teach you how to install the extension. For more information, refer to the <u>documentation</u> provided by Honorlock.

Compatible Web Browser

You will need to use **Google Chrome** to take your test. Mozilla Firefox, Microsoft Edge and Safari are not compatible with the extension. it is recommended that you follow the Google Chrome installation instructions on <u>Google's website</u>.

- 1. Open the following link in Google Chrome: <u>https://app.honorlock.com/install/extension</u>
- 2. Read the Terms of Service and Privacy Policy by clicking each link. Click the **check box** to verify you agree & understand the documentation, then click **Add Extension** (Figure 1).

3. Click the Add to Chrome button to add the extension to your browser (Figure 2).

4. On the pop-up that appears, click Add Extension (Figure 3).

Add "Honorlock"?
It can:
Read and change all your data on all websites
Read and change your browsing history on all your signed-in devices
Capture content of your screen
Change your settings that control websites' access to features such as cookies, JavaScript, plugins, geolocation, microphone, camera, etc.
Manage your apps, extensions, and themes
Add extension Cancel
IGURE 3

5. The extension will be added to your Web browser. You can now take the Honorlock proctored exam.
