

Navigating the Institution Page

The Institution Page is the default page you will see when opening Blackboard. This page contains information and resources related to Central Connecticut State University events, news, and more.

To open the Institution Page, click on the **first button** from the menu on the left labelled **Institution Page** (Figure 1).

You will typically see university news at the top of the page (Figure 2).

Cer	ntral Connecticut State University		Matthew O'Donne
- UNITED	Spring CoursEval Reports Faculty, The Spring CoursEval student opinion results will be released on Sunday, June 4. You will receive an email notice that your reports		 Activity Stream Courses
	are available. Reminder, by default results with less than 5 participants are not released automatically. If you would like those reports, please get approval from your department chair and have them email <u>CTI-Help@ccsu.edu</u> with the request.	F	IGURE 1

FIGURE 2

Below this is a section labelled **Faculty Resources**. This contains shortcuts to useful tools such as CoursEval (Figure 3).

Fa	Faculty Resources						
	mycoursevol	My CoursEval					
	taskstraam	Taskstream					
FIGU	IRE 3						

At the very bottom of the page, you will find the **Helpful Links** section. This contains links to resources created by the CTI and Blackboard (Figure 4).

Helpful Links	
	Ultra Base Navigation Documents
	CTI Self Help/Knowledgebase
	CTI Training Calendar
Helpful Links	CTI Instructional Videos
