

# Tools Tab

The Tools Tab is accessed via the main Blackboard menu. It contains links for important tools such as CoursEval, Kaltura, and Taskstream.

To open the Tools tab, click on **Tools** from the menu (Figure 1).

You will be presented with a selection of links (Figure 2).

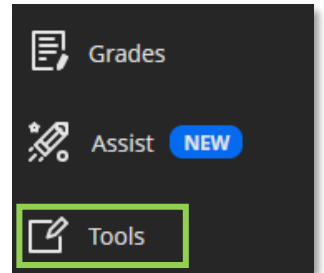

FIGURE 1

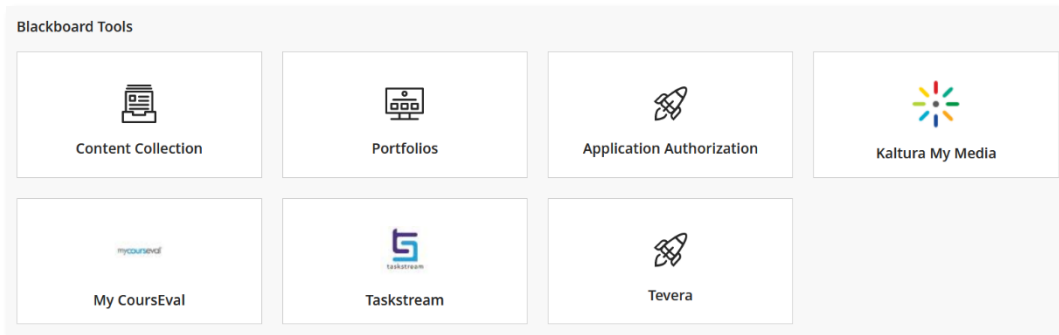

FIGURE 2

- **Content Collection:** This shows all the content you've uploaded to Blackboard, as well as CCSU provided content. For more information, please refer to [this document](#).
- **Portfolios:** Shows all your portfolios and allows you to create and edit them.
- **Application Authorization:** Allows you to view and revoke external applications which you have integrated with your Blackboard account.
- **Kaltura My Media:** Gives you access to all your media which has been uploaded to Kaltura.
- **My CoursEval:** Allows you to view course evaluations from students.
- **Taskstream and Tevera:** These applications may be used by your department.

**Note:** Outlook integration has been deprecated and is no longer available.
